

Northpoint Technologies, Inc. Sketch Layout

Quick Quote Requirements

- Show a top and side view
- Dimension as shown
- Include number of legend and rubber colors
- With or without carbon pills
- Quantities to be quoted

These are the primary elements for a quotation. Other details such as travel, force, durometer and tactile response can be determined at the time of order.

Specialty features such as protective coatings, laser etching, light pies, etc. should be included.

Sketch may be sent to Northpoint Technologies, Inc. by fax at: 847.566.9099
